PROFILE

I am a motivated and diligent entry-level developer with a strong passion for software development. I have a solid foundation in programming languages and concepts. I am seeking an opportunity to apply my technical skills and contribute to a dynamic team while gaining practical experience to further enhance my abilities in a professional environment.

WORK EXPERIENCE

Operations Specialist

Apple

2019-Present

- As an Operations Specialist I receive, count, process returns, and complete running tasks, in compliance with Retail Inventory processes. I effectively communicate with my peers about the status of assigned inventory tasks and promote an understanding and awareness of inventory performance among all store staff.
- Responsible for upholding Apple's visual standards. I am also responsible for managing paperwork associated with my position and inventory reporting queries.
- Additionally I coordinate maintenance and testing processes for all life-safety and health systems in partnership with the Operations Lead. I support in monitoring and resolving IS&T tickets in a timely fashion and execute store supply ordering.
- Coordinates, maintains, and archives store files excluding employee files and perform other operational or administrative duties as assigned.

Nike Athlete

Nike

2017-2019

- As a Nike employee, I was a part of a dynamic and innovative team working in one of the world's leading sports and lifestyle brands.
- I contributed to the overall success of the company by actively participating in various areas of the business.
- Customer Service: Provide outstanding customer service by understanding and meeting the needs of customers, offering product knowledge, and ensuring an enjoyable shopping experience.
- Sales and Product Expertise: Demonstrate a deep understanding of Nike products, including their features, benefits, and technology. Proactively engage with customers to provide recommendations, answer questions, and drive sales.
